

April 13 - 14 - 15, 2018 OOSTDUNKERKE BELGIUM

Our 3-days dynamic workshop
DUNE LEADERSHIP COLOR PARADE
might just be the thing for you.

During our dynamic workshop,
several coaches, all successful
entrepreneurs, will guide you
through the battle process and
will mentor you during the 3 days.

Be a successful leader ...

There are no secrets to success.
It is the result of preparation,
hard work and learning from failure.

Colin Powell

Target:

Supporting young people between 20 and 30 years old (student or young professional) in a dynamic and original way to become a successful leader.

This programme makes you aware that leadership not only exists on the job, but also in diverse situations. We teach you all the tools that will enable you to analyse your leadership style, communication skills or conflict resolution style and help you to distinguish the positive aspects of leadership from the pitfalls.

We give you the opportunity to discover your own 'leadership potential' and to identify your points of improvement for 'effective leadership'. An experienced team of coaches will guide you during three battle days.

We start from the six Rotary Foundation areas of focus
